

Therapist List for the Southern Region PARC

PARC makes no guarantees about the accuracy of the information contained in the resources provided below, nor should the inclusion of any given source in this list be considered an endorsement of any kind. We cannot make any recommendation of one agency or therapist over another. Each family has different needs and it is our goal to provide as many options as possible. All therapists on this list are at many different levels of expertise in the area of Attachment Disorder/Adoption Issues. We are not endorsing them as Attachment Therapists, but as knowledgeable clinicians in the field that may be able to help.
