Presenting Sponsors:

You are invited to join us at the largest annual Catholic social gathering in the Diocese of Madison. This is an opportunity for people with Catholic values to come together, share success stories, and encourage one another.

This event is very important to the Catholic Charities mission of **providing help and creating hope**. See the difference we are making in people's lives. In 2010, we touched the lives of over 60,000 people through our 35 different programs:

We can help aging persons with personal support services like transportation, medications, and light housekeeping. We help with daily challenges.

We can help children by bringing expectant parents facing an unplanned pregnancy together with prospective adoptive couples.

We can help adults with developmental disabilities (mental retardation, autism, epilepsy, cerebral palsy, or brain injury) experience daily friendships and meaningful, fun activities in the community.

We can help individuals and families dealing with anxiety, depression, loneliness, marital problems, and other life challenges through our counseling services.

We can help persons with alcohol and drug addiction find jobs, permanent housing and a path to a drug free life.

Proceeds from this year's event fund the Catholic Charities Programs for Families and Aging Persons here in the Diocese of Madison. Services for families help protect and promote the family unit. Services for aging help elderly persons maintain self-sufficiency and preserve dignity.

Providing Help. Creating Hope.
 Food. Housing. Independence. Dignity.
